

CORPORATE BADGING

At Centurion, we aim to make the complex simple, our four-step corporate badging process makes branding safety helmets easy. We are proud that we can despatch orders of under 500 units within 10 days of their inception.

ATTRIBUTES

- No set up cost for new logo's
- One of the lowest minimum order quantities: 10 for Nexus HeightMaster (provided in packs of 10), 40 for all other helmets and caps
- Spectrum has the widest front print area of any safety helmet
- Pad print on the front, rear and sides of helmets, embroider or transfer printing on the front of caps

END USER BENEFITS

- Promote your company
- Help your employees stand out on site
- Easily identify your workers task or position
- Use the helmet to promote safety messages
- Ensures PPE is provided by the company

Control and promote safety compliance
