

ESSENTIAL SITE SAFETY GUIDE

Wash your hands regularly

Avoid contact

Keep a safe distance of at least 2 metres

Avoid touching your face

Catch coughs or sneezes in the crease of the elbow or in a tissue

Stay at home if you are ill or showing COVID-19 symptoms

Keep your fellow workers safe and reduce the risk of transmission - use Centurion COVID-19 Face Protection Products

Visit centurionsafety.eu/covid-19/ for further information
